1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am a customer of TCWS.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

My water bill is already way too high. Our city needs a higher quality waste water and efficient water service under TCWS, with less offensive aesthetics, odors and environmental impact. This will ensure Tega Cay's health, safety, quality of life and property values.

3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? *
